## Pre-chorus

Koolamundo, Koolamundo, Koolamundo

Ahhhhhhh.....

## Verse 1

Adventure, here we go,

sometimes fast, and sometimes slow.

Watch me swinging round and round,

miss the tree but not the ground.

Alook they call me from afar,

my planet's from a special star.

# Chorus

Koolamundo...  
it's a cool, cool world.

Koolamundo...  
it's a cool, cool world.

Everybody, raise your hands  
and make fun together,  
as we travel to such amazing lands,  
ahhhh...ahhhh forever!

## Verse II

Exploring, sound the bell,  
strike a pose, and tell a tale.

On safari, chasing rain,  
climb with me, play a game.

Wait, I'll take you very far,  
my planets from a special star!

# Chorus

Koolamundo...

it's a cool, cool world.

Koolamundo...

it's a cool, cool world.

Everybody, raise your hands

and make fun together,

as we travel to such amazing lands,

ahhhh...ahhhh forever!

Repeat Chorus
