# Verse 1

Everybody loves to eat,  
savory, sour and even sweet,  
many types of different cuisines.

So delicious, what a dream,  
so try all other kinds of food,  
that really get you into the mood.

# Chorus

Lemon drops, lollipops,  
yummy delicious purple pops.

Beans with greens,  
and sweet tangerines,

it's all delicious in many ways  
pick up your fork and lets graze.

No matter all the things we do,  
Foods are shared with me and you. (repeat)

La, la, la, la, la, la, la.

## Verse II

So on my journey's I have tried,  
foods sautéed and also fried,  
many colorful sorts of fruits.

Crunchy vegetables en route,  
syrup, butter on French Crepes,  
off the vine, Australian grapes.

## Chorus

Lemon drops, lollipops,  
yummy delicious purple pops.

Beans with greens,  
and sweet tangerines,

it's all delicious in many ways  
pick up your fork and lets graze.

No matter all the things we do,  
Foods are shared with me and you. (repeat)

La, la, la, la, la, la, la.

## Verse III

Remember to eat healthy too,  
lots of nutrients, that's the clue,  
as you meet an International friend.

Try all the food they recommend,  
please remember to explore,  
all the tastes you can't ignore!

# Chorus

Lemon drops, lollipops,  
yummy delicious purple pops.

Beans with greens,  
and sweet tangerines,

it's all delicious in many ways

pick up your fork and lets graze.

No matter all the things we do,

Foods are shared with me and you. (repeat)
