Luna & Alook's Magical Music Book

Written by Kimberley Kleczka

Illustrated by Apoorva Dingar

Congratulations!

Can read this book

**Luna and Alook are flying high,
in a hot air balloon in the sky.**

**“Let’s open up your adventure book,”
said Luna, as she gives it to Alook.**

**“Yippee! Yes, it is time for
another trip,”
replies Alook, as he munches on
a potato chip.**

Alook's travel journal
begins to glow,
a bright blue green light
starts to show.

**Floating musical instruments in
the air,
some we all know and others
quite rare.**

**Swoosh, whoosh, clang,
bang and bash,
falling through a page and ending
in a crash.**

Finally, Alook and Luna stop spinning around!

Suddenly they hear
an exquisite sound.

**A beautiful magical tune,
with a low vibration of the bassoon.**

Alook and Luna are enchanted,
by what they see,

a big colorful door with a large
lock and key.

**They carefully turn the key
and walk down,**

into a large underground
picturesque town.

Alook bumps into a note
that is moving fast,
"sorry," says the half tone,
"I need to get past."

"Welcome to our nature school
of music delight,
we expected you sooner, must
have been a late flight!"

Standing in front of Luna and Alook
is an old tree,

with wispy hair and a crinkled up
face that's sipping tea.

**"My nickname is Wispy,
bet you can tell?"
Laughed the old character
clinging his bell.**

“Let’s explore the world of pitches, tones and notes.”

Luna and Alook followed Wispy to a group of musical goats.

They were playing all sorts of
different types of drums,

box, frame, friction, bass,
kettle, hand and a flum.

**"Come and rock with us dude,"
said the happy hippy goat,**

**He wore big crazy glasses and a
long colorful coat.**

Alook and Luna joined in with
the cool goat band,
learning new techniques with the
palms of their hand.

"Let's go, follow me, time to see
the good vibes gig,"
groinked a bright yellow and
purple hairy pig.

Alook and Luna hastily followed
with gusto,
in front of them was a
colorful water show.

With flamingos and storks
dancing on the water,
to an ensemble of musicians
and a singing otter.

**Magical rainbow splashes
swayed in the air,**

**next to the trumpet playing boy
and brown bear.**

A young girl harmonized
together with a cat,

two dogs, and an alligator
on a floating mat.

Alook smiled at Luna
as he twirled around,

whistling and enjoying the
beautiful and joyful sounds.

Wispy softly tapped Alook
on his arm,

"come let's go and see
the musical farm."

"Quick they have arrived,"
screached the owl,

as a cooing, gentle lullaby,

was sung by a fowl.

The rest of the farm band
sat in their places,
holding their instruments
with smiles on their faces.

**“Welcome to our garden of
delightful strings, ”**

**said, a butterfly
with large golden wings.**

Plucking, strumming, scrapping
and vibration,

placed the different notes in a
magic formation.

The amazing sound created
a burst of fiery hues,

of a sweet harmonious tune of
reds and blues.

**Alook and Luna clapped
with all their might,**

**at the fabulous extraordinary
sight.**

"Your hot air balloon is ready now,"

**said Wispy, as the musicians
took their bow.**

Luna and Alook
waved their goodbyes,
as they took off high
into the endless skies.

The end
